

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir ;

Would you please look at my application No.10/662,244 ? I have just received a notice of abandonment mailed 07/18/2006.

I have asked my examiner many times for constructive help in getting the application OK'd. I have sent in amendments A, B, & C and also a petition to the Commissioner on two occasions. I have hoped for instructions of how to put my application in condition for allowance but have had no answers.

Could you now give me some instructions and forgive the notice of abandonment ?

Thank you for your time and give everyone my thanks for the help I did receive!

Respectfully, *Lyle J. Christiansen* 7/24/06
